First-Time Home Buyer Program

Let us help get you home.

Bank of Sun Prairie has helped many people buy their first home. Our experienced lending team knows that trust, along with responsive, personalized service builds long term relationships.

If you have not had any ownership in a principal residence in the last three years, you may qualify for our First-Home Buyer Program.

Being a first-time home buyer can have many benefits and it can be nerve-wracking and exciting at the same time! Our lenders will help you every step of the way. From helping you determine an affordable mortgage payment to your loan closing where you receive your keys. And the best part? We're local. You can contact us anytime to answer any questions you might have.

- Low and no down payment options available
- No monthly private mortgage insurance (PMI) options available
- Local decision making and servicing
